

REMARKS

All of Claims 38-45 were allowed in this application, but Applicants requested withdrawal of this case from issue in order to file an additional Information Disclosure Statement listing prior art which was cited by the P.T.O. in a related application. Accordingly, a Request for Continued Examination was filed herein.

By this Preliminary Amendment Applicants have made minor changes to allowed Claims 38 and 40, and have added new Claims 59-67, each of which is believed to be patentable over the prior art.

In view of the foregoing amendments and remarks, Applicants respectfully submit that all of the pending claims are allowable. Accordingly, a formal Notice of Allowance is solicited.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
